HAVE YOU CONSIDERED MAKING A CONTRIBUTION OR BEQUEST?

Making a contribution to a worthwhile cause or charity of one's choice is a very personal decision.

It is a constructive and helpful way in which to make a difference to a project, group or organization about which you care. Most people, if they can at all afford it, will make a donation from time to time.

If you are considering making a donation or leaving a bequest, SHHH Australia Inc. would like to ask you to think about the help and assistance that you have received from the SHHH publication hearing matters or from your visit to one of our Information Centres.

As a voluntary organization, SHHH provides services and support to hearing impaired people who communicate orally. SHHH relies almost entirely on annual Membership Fees - to open the world of communication to people with hearing loss by providing information, education, support and advocacy.

Whether you believe in giving during your lifetime or through a bequest, SHHH Australia Inc. will use your generous donation to continue its mission - to assist and provide information to some of the 3 million Australians who have a hearing impairment or loss.

All gifts over \$2 to SHHH Australia Inc. are tax deductible.
