

Australian Hearing Hub Open House

Saturday 22 August

12pm – 4pm

(Doors open 11.45am)

One in four Australians could experience hearing loss by 2050, so it's never been more important to focus on hearing health.

To celebrate Hearing Awareness Week, we're opening our doors to raise awareness on healthy hearing and the services available at the Australian Hearing Hub.

Come to our Open House day and learn from some of the country's best researchers and service providers in hearing, psychology, reading, speech and language.
